Please initial after reading.

JUNIOR HIGH PROGRAM

Language Arts and Math will be offered at the grades 7, 8, and 9 levels. These programs are for students who have not met the requirements for the next grade level or who want to improve their knowledge of the basic concepts in a particular subject.

HIGH SCHOOL PROGRAM

High school courses will be offered to those students who want to:

- upgrade existing marks
- complete prerequisite courses
- fast-track their high school program

ADMISSION REQUIREMENTS

Students should have a pre-requisite mark of 65% for 10-20-30 academic-level courses or a mark of no less than 40% to move from an academic-level course to a more general course at the next level.

RECOMMENDATIONS/EXPECTATIONS

Please be aware that the Alberta curriculum requirements are the same for Summer School as they are in the regular school year. This compressed time frame can be very challenging. Expect a heavy workload with daily homework and assignments with less time than normally available to complete them.

A class period of 3 hours is equivalent to approximately 1 week of regular classes and you are expected to attend tutorials.

Summer School is a choice that students can make if it meets their needs, but we are unfortunately unable to meet the needs of all students and families. Due to the unusual nature of our compressed program the following rules apply:

Please do not register for Summer School if you know you must miss some classes.

If students miss more than three classes, they may be required to **withdraw** from the program.

If students miss due to illness, they must contact the teacher immediately and arrange to catch up **outside of class time**.

Students who require **special provisions** will probably find one class enough work, considering the compressed time frame involved. If you require provisions, **YOU MUST** make an appointment to see the Summer School Coordinator **before** registering. Not all provisions can be accommodated, and most are available for Diploma Exams only.

TIMETABLE

Math 9 Only (July 5-Aug 1)
 10:00 am to 12:00 pm (Monday to Friday)
 Junior High (July 5-22)
 9:30 am to 11:30 am (Monday to Friday)
